SIMPLE DIARY LIME GREEN

Philipp Keel's Simple Diary™

Since its release TASCHEN's bestseller worldwide

In a world where products are out as soon as they're in, where communicating without wires doesn't come without strings, and even our accessories need accessories, we need simple tools. A book that helps us look inside because we are overloaded outside.

There are three reasons why most people, although they have tried, won't keep a diary:

1. Not every day is very eventful.
2. It actually takes a lot of discipline to write.
3. In retrospect, many find what they have written embarrassing.

Keel's **Simple Diary™** offers structure for those who don't have time to wonder, making it easy to record life's moments. It gives the pleasure of a quick response and the sense that no matter what's wrong, more is right.

This instant classic is filled with refreshing philosophy and original wisdom. Keel's **Simple Diary™** entertains, helps you focus and keeps you company.
