365 DAY-BY-DAY. PIN-UP

They'll always be there for you

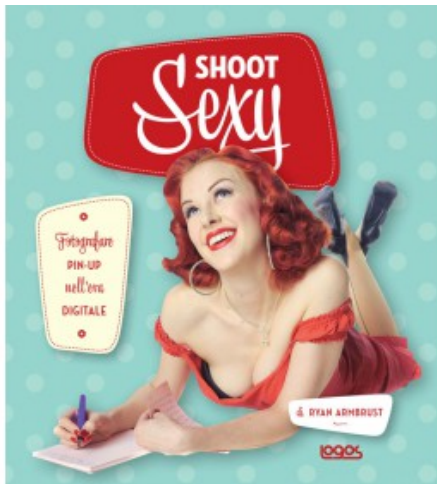

A new pin-up to brighten your every day

There'll never be a weary morning with these delightful dolls on your desktop. For those of you whose datebooks have been replaced by smartphones, let these pin-up lovelies help you rediscover that warm feeling of marking the date with the touch, and turn, of a page. Each day presents a new model alongside saucy soundbites, as well as the birthdays of pin-ups' finest. These sweethearts are more steadfast than they might suggest too—at the end of the year, simply turn back to the beginning and find them waiting for you as peachy as before.

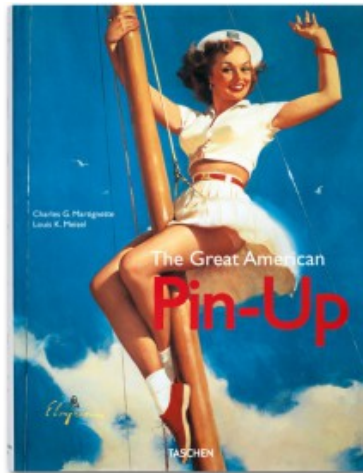

Dian Hanson was born in Seattle in 1951. For 25 years she produced various men's magazines, including *Puritan*, *Jiggs* and *Leg Show*, before becoming TASCHEN's sexy book editor in 2001.
