1000 CREAZIONI STEAMPUNK

Anachronistic technology into the Victorian Age

Steampunk is a burgeoning **counter-cultural** movement; a genre, community, and artform. The Steampunk movement seeks to **recapture the spirit of invention, adventure, and craftsmanship reminiscent of early-nineteenth-century industrialization**, in part to restore a **sense of wonder** to a technology-jaded world.

Packed with 1,000 full-color photographs, *1,000 Steampunk Creations* features a stunning and mind-boggling showcase of modified technology, art and sculpture, home décor, fashion and haberdashery, jewelry and accessories, and curious weapons, vehicles, and contraptions.

The author:

Dr. Grymm's alter ego, Joey Marsocci, along with his business partner and wife Allison DeBlasio, are proprietors of Dr. Grymm Laboratories in Connecticut. Grymm's custom contraptions and sculptures have been seen in Steampunk exhibits, films, television, theater productions, and publications around the world. www.thesteampunkempire.com
