STOP MOTION ANIMATION

The ultimate guide for anyone seeking to explore the exciting possibilities of stop-motion animation.

HOW TO Make and Share Creative Videos using Clay , Paper , Post-its, Puppets... And More !

Recent advances in technology—such as high-quality, easy-to-use cameras; free film editing software; and the popularity of YouTube, Vimeo, and other video-hosting Web sites—have led to a revival of stop-motion animation.

Despite the growing interest in this versatile art form, there are few resources offering guidance on the process. That's where this book comes in. Here, stop-motion master Melvyn Ternan offers practical instruction for a range of techniques, from storyboarding to editing.

With **hundreds of full-color images** throughout, **QR codes** linking to online tutorials and finished projects, and interview-style case studies with the pros, Stop Motion Animation will be your go-to resource for mastering this visually stunning style of animation.

Inside, world-renowned animation master Melvyn Ternan provides:

- **Illustrated, step-by-step tutorials** that cover everything from drawing a storyboard and creating sets and props to post-production editing
- **A variety of stop-motion techniques using everyday materials** such as paper, clay, and LEGO®
- **Inspiring case studies** that showcase the work of professional animators

Filmmakers of all levels—from the young hobbyist to the professional animator—will find Stop Motion Animation to be an indispensable guide to mastering this visually stunning style of animation.

With QR codes linking to online tutorials that reveal completed projects!

The author:

Since graduating with a first-class degree in animation, **Melvyn Ternan** has worked on a variety of projects across the animation spectrum, with a particular focus on stop-motion techniques. He currently teaches animation at Sheffield Hallam University in the UK. In 2006 he set up Melmation Animation & Film Making Services, which produces short animations for client and community projects and offers animation workshops.
