## KATE MOSS BY MARIO TESTINO

### Fashion's dynamic duo

#### Mario Testino's tribute to his greatest muse

**Mario Testino** is recognized as the ultimate fashion photographer of his generation but his pictures of **Kate Moss** transcend fashion. The consequence of two decades of extraordinary friendship, and phenomenal glamor, this iconic collaboration is an intimate insight into the lives and minds of two of the world's definitive style leaders.

Follow the journey of one of fashion's most extraordinary friendships, **from early days backstage at the shows to behind-the-scenes glimpses of the ground-breaking editorials they continue to produce for the world's most respected magazines**. Many photographs have been chosen from Testino's private archive and are published here for the first time.

This book is **Mario's personal homage to his greatest muse**: a young girl that captured his heart and eye with her beauty, humor and spirit, and whose image in his photographs has captured imaginations the world over.

Contents include:

- Foreword by Mario Testino
- Exclusive essay by Kate Moss
- Over 100 images in black-and-white and color, including many unseen private photographs

#### The artist:

Peruvian-born **Mario Testino** travels extensively shooting for *Vanity Fair*, *American*, *British*, and *French Vogue*. Other clients include Burberry, Versace, Dolce & Gabbana and Michael Kors. His solo exhibitions have shown in galleries worldwide, and his work is held in the permanent collections of the National Portrait Gallery and V&A Museum in London, and others.
