NYT. 36 HOURS. EXPLORER. BEACHES, ISLANDS, & COASTS

At the Shore

Journeys of discovery from coast to cove

Whether it's a languid day on the postcard-perfect bays of the **Maldives**, a swim to the tiny monastery island in **Italy's Lago d'Orta**, or a chocolate tour of the Caribbean, dive in and share the discoveries of **Beaches, Islands, & Coasts**. Part of TASCHEN's *Explorer* series with *The New York Times*, this book tells the stories of **25 dream trips for curious minds**, where the water is always only a pebble's throw away.

Motor past pink sands and bougainvillea in Bermuda with **Andrew McCarthy**, walk the rugged trail where Wales meets the sea with **Dominique Browning**, or skip Tuscany's countryside in favor of its inviting coastline with **Frank Bruni**. The *Times* writers are your guides, and the wealth of color photographs that accompany their writing capture the soul-nourishing magic of places where the water rolls up to meet the land.

The *Explorer* series takes travel beyond the obvious with **adventures in exotic places and new perspectives in familiar ones**, all based on the **distinguished travel journalism in *The New York Times***. Each journey features a first-person narrative and documentary photography that capture the **unique personality of the destination**—as well as practical information to help get you on your way. Edited by Barbara Ireland, whose *36 Hours* travel series has been a TASCHEN best seller, the *Explorer* series launches with *Beaches, Islands, & Coasts* and *Mountains, Deserts, & Plains*. Upcoming volumes include *Urban Adventures* and *Road, Rail, & Trail*.

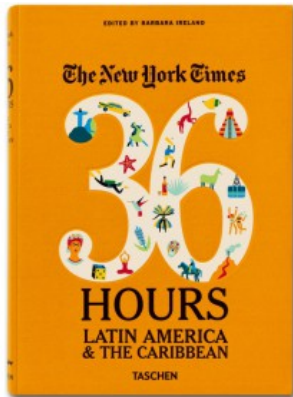

The editor:

Barbara Ireland, a writer and editor based in western New York State, is a former deputy travel editor and deputy Op-Ed page editor at *The New York Times*. While on the *Times* staff, she commissioned and edited many *36 Hours* columns and wrote a few herself. She is a graduate of Cornell University and was a John S. Knight journalism fellow at Stanford University.
