### LORENZO MATTOTTI'S SHOPPER TO SUPPORT [CBM](#)

From darkness to light. From black to colour. From blindness to hope... Such is the challenge that every day [CBM Italia Onlus](#) aims to face with a smile, the challenge that Lorenzo Mattotti interprets in the book *Blind*, born from the collaboration between [CBM Italia Onlus](#) and [#logosedizioni](#) intended to promote public awareness on the theme of blindness and disability, and underline the importance of seeing, especially for those people living in the poorest communities of the world, where to see means to live.

The proceeds from the sales will go to [CBM Italia Onlus](#) in support of its projects.

[CBM](#) is an international development organisation committed to improving the quality of life of people with disabilities in developing countries.
