LA GALLINA PIRIPIRI

It seems a day like any other in the farm, and Piripiri the chicken complains about her dull existence. She doesn't know that soon she'll make a terrible mistake, so terrible that she'll end up regretting her previous, boring, life...Indeed, mistaking him for an inviting earthworm, Piripiri pecks at the son of Mrs Grass Snake! Feeling outraged, the little snake hurries to report the shameful deed to his mother, and poor Piripiri has no choice but to rely on her sly mouse friend, who will suggest her plenty of tricks to escape the frightful coils of the grass snake. And what if, going through her misadventures, Piripiri becomes the heroine of the farm? Let yourself be captivated by the funny illustrations by Xan López Domínguez, who draws inspiration from the days spent at her grandmother's farm in Galicia to create an amusing story, full of plot twists.

The author and illustrator:

[Xan López Domínguez](#) was born in Lugo, Galicia, in 1957, and he currently lives and works in Madrid. He studied History of Art at the University of Santiago de Compostela, in Spain. He wanted to be a comic book author, until the day he fell in love with children books. Since then, he has illustrated more than three hundred books for children all over the world.
