N.197 BRUTHER (2012-2018)

Founded by Stéphanie Bru and Alexandre Theriot, **Bruther** works in the fields of architecture, research, education, urbanism and landscape. Since 2007, Bruther develops national and international projects such as Cultural and Sport Center Saint-Blaise (2014), Helsinki Central Library (2013) and New Generation Research Center (2015). Bruther stands for a specific architecture, adapted to the needs of each project in order to offer maximal living conditions. Adaptability and evolutivity of the building are fundamentals in the office practice.
