## IO, IL LUPO E LE VACANZE CON PEPÈ

A holiday by the seaside with one's grandfather is quite an ordinary thing but if the third party is a wolf, the journey becomes a bit more complicated, especially if the wolf is touchy and the granddad a bit slipping. A lively story "on the road" about the pleasure of being together, that explores the tender relationship between a granddad and his grandson and the unusual friendship between a boy and a wolf. A hilarious and tender story, with Delphine Perret's humorous dialogues and simple and elegant drawings. Mid-way between a comic and an illustrated album, it is perfect for readers of all ages.

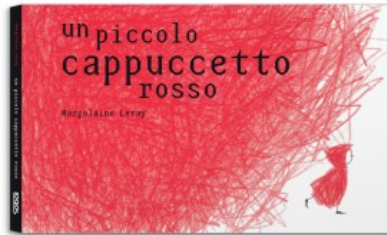

**Delphine Perret** is a French illustrator born in 1980. She specialized in graphic design at the Lycée La Martinière in Lyon and in 2003 obtained a diploma in illustration at the Strasbourg School of Decorative Arts. She has written and illustrated about twelve books, and designed as many.
